homegirl café

a favorite farm-to-table breakfast & lunch spot where homegirls serve tables instead of serving time. Homegirl Café offers an extensive training program empowering women & men to undertake what is often their first "real job" in the restaurant industry & urban farming. As trainees learn to grow, prep, and serve local and organic food, they grow in self-understanding to prepare themselves to serve as leaders in their families & communities. Homegirl offers a full catering service, hgcatering@homeboyindustries.org

www.homegirlcafe.org

all mini-farm produce & products are organic & grown with sustainable practices
